*Russell,*

*I want to take a moment to express my complete satisfaction with the phone system you installed in my facility.*

*Your workmanship and knowledge of the Samsung System is second to none. All 32 extensions through out my 78,000 sq. ft building have performed flawlessly.*

*Your training, patience, and follow up only confirm we made the right decision going with Breninger Communications.*

*Thanks again and we look forward to working with you again in the future.*
